Please also note that new registrations will require a new passport style photo, a copy of their name (first and last) written by the player on a clean piece of paper and a photo of their passport or birth certificate showing date of birth. Photos of these can be uploaded to www.seymourvillafc.co.uk/upload. If the player has played in the Tandridge League previously then we need to know for which team.

As the parent or guardian of the player I consent to the Seymour Villa F.C. using data, photographs and/or video recordings including images of the registered player both internally and externally to promote the club and for clerical use. Images could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film and social media. I understand that images on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides. I understand that some images or recordings may be kept permanently once they are published and be kept as an archive of the club's life. Consent can be removed at any time by emailing info@seymourvillafc.co.uk. Data will be stored as per the privacy statements available on the club website at www.seymourvillafc.co.uk
